## This week

Try a "no bread" day. Every time you miss it, pray, "Thank you Jesus for being with me everyday. You are the bread of life." Amen

## gather

Welcome to worship. Bread is a common food. Many people eat bread daily. Jesus said, "I am the bread of life." We need Jesus in our lives every day, just like we need food in our bodies every day, to live.

Elijah was certain that he would die in the wilderness. He had no food. When he woke up from his sleep, God had provided food and water for him. God changed his life!

Change this funny pair of words into the needed things God gave to Elijah. Change one letter of the word each line (still making a real word), until you get to the word at the bottom. An example has been done for you. (Answers to the word chains are on the inside of this bulletin.)

## What now?

Ephesians 4:25-5:2

Jesus gives us the bread of life. Jesus loves us and gave his life for us. What do we do now? How do we act? What do we say to one another? Paul tells the people in Ephesus...

That's advice for us, too.

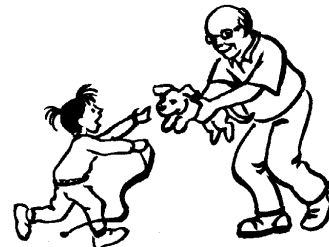

*Be kind to one another.*

*Forgive one another.*

*Live in love.*

*Imitate Jesus.*

Match the picture problems on the left with actions of God's children on the right.

Learn a new song from your hymnbook or song collection that calls Jesus the "Bread of Life."
